Early Literacy Programme 2019 - 2020

Course Objectives

The Lancashire Primary English and Literacy team and the LPDS Early Years team have designed a programme of support in response to the national focus on early literacy which is aimed at Reception practitioners.

This new programme for 2019- 20 will include five half days of CPD with a focus on the following areas:

- Vocabulary development – practical strategies for closing the word gap;
- Phonics – effective teaching, learning and assessment approaches using Letters and Sounds;
- Teaching early reading – application of phonics and comprehension development;
- Reading for pleasure;
- Teaching early writing – application of phonics, physical development and composition for writing; and
- Updates regarding early literacy linked to the OFSTED Framework, new EYFS Framework and national developments.

Following each session, participants will be provided with a comprehensive toolkit of materials which can be utilised in school.

Cost of the programme is £650 per school. This includes attendance for two participants at each session, which can be decided by the school (e.g. any combination of teacher(s), teaching assistant(s), English Subject Leader, Early Literacy Leader, Phonics Leader, Headteacher).

Consultancy support with an early literacy specialist is also available, on request, to support implementation of any aspect of the programme within school at a discounted price. This may include a health check, audit, bespoke training, planning and/or assessment support, or leadership of early literacy.
